15

The instant application has been examined. Claims 13-20, renumbered 1-8, are allowed.

16

The following is an examiner's statement of reasons for allowance: The claimed invention is deemed unobvious over the cited art of record because such art does not teach or reasonably suggest the overall aspects of a method for making a molded article comprising, providing an outer plastic film layer having an outer surface and an inner surface; depositing a first plastic layer on said outer plastic film, with said first plastic layer having an outer surface and an inner surface, and adhering the outer surface of the first plastic layer to the inner surface of the outer plastic film in combination with forming a melt of resin having reinforcing fibers mixed therein and depositing the melt as a second plastic layer on said first layer wherein said second plastic layer contains long fibers having a length of from 8 to 100 mm admixed therein and wherein said second plastic layer has an outer surface and an inner surface, and adhering the outer surface of the second plastic layer to the inner surface of the first plastic layer and compression molding said layers into a compression molded, shaped article having a layered structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

17

Applicants who wish to send a facsimile (draft copies) for the examiner's immediate review can now do so by using the Examiner Dixon's personal fax number at 571-273-1520. The faxing of all papers must conform with the notice published in the Official Gazette, 1096 O.G. 30 ( November 15, 1989). **NOTE: All facsimiles sent to the examiner's personal fax number should be in draft-forms and will be treated as informal. Same facsimiles will not be entered in the related applications unless otherwise noted by the examiner.**

The fax number for all other fascimile is 703-872-9306.

Information about the status of an application may be obtained from the Patent Information Retrieval system(Private PAIR). Status inquires for published applications may be retrieved from either private PAIR or Public PAIR. Questions about the PAIR system should be directed to the Electronic Business Center at 866-217-9197.

Art Unit: 1774
